CONFLICT OF INTEREST CODE
Pine Valley Fire Protection District
6 October 2010

The Political Reform Act, Government Code Section 81000 et seq, requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission ("FPPC") has adopted a regulation, California Code of Regulations, Title 2, division 6, Section 18730 (hereinafter "CCR 18730"), which contains the terms of a standard conflict of interest code. It can be incorporated by reference and may be amended by the FPPC after public notice and hearings to conform to amendments in the Political Reform Act. Therefore, the terms of CCR 18730 and any amendments to it duly adopted by the FPPC are hereby incorporated by reference and along with the attached Appendix in which members and employees are designated and disclosure categories are set forth constitute the conflict of interest code of the Pine Valley Fire Protection District.

Designated employees shall file statements of economic interests with the agency. Upon receipt of the statements of the Directors, the agency shall make and retain a copy and forward the original of these statements to the Clerk of the Board of Supervisors. The original statements for all other designated employees will be retained by the agency.
